

AFTER-SCHOOL Training Programs

4-week courses starting January 23

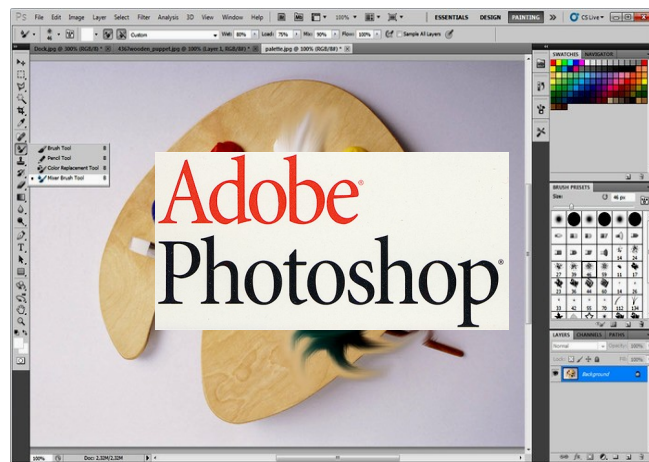

Meet Monday afternoons from 3-5pm

CULINARY ARTS WORKSHOP

Understand cooking techniques and good taste using one's own intuition. Discover taste sensations, learn about food safety, and perform various cooking techniques. Create simple and timely meal using locally produced food.

INTRODUCTION TO PHOTOSHOP

Basic photo manipulation techniques will be demonstrated and practiced. Students will also use their new skills to create own unique images.

\$20 / student / program

Students ages 13 to 19 are welcome
